Hello,

We would like to ask your permission to upload a copy of your reports, *Downsizing Envoys: A public/private sector comparison* (http://www.acas.org.uk/media/pdf/d/1/1112_Downsizing_envoys_Ashman_%28public-private%29.pdf), and *'The nature of bad news infects the teller': The experiences of envoys in the face to face delivery of downsizing initiatives in UK public sector organisations* (http://www.acas.org.uk/media/pdf/b/f/0312_Downsizing_envoys_Ashman.pdf), authored by Dr. Ian Ashman of the University of Central Lancashire, to the university's research repository.

CLoK, UCLan's research repository, is a digital archive of all research outputs produced by the university's research staff. We would be grateful for your permission to archive Dr. Ashman's papers.

With best regards,

Carmit
