

RANCID 7" Lookout

Punk with a capital P with plenty of #S%&-#@* . Lyrics about Cisco, Rip-Off Promoters, Prostitutes and the general malaise of being past yer glory days. Badly recorded on purpose. Features a Molotov Cocktail on the cover. X-members of MDC and OP IV . Do ya understand the aesthetic or are you a poser? Let's do the timewarp again.

RANCID-7"-(LOOKOUT RECORDS)
RANCID has two ex-members of OP. IVY, So it's no surprise that they sound just a bit like OP.IVY 'cept a little harder and minus the ska parts. this is one of my favorite records right now.get it!!!
