To Mr. W. A. Margerison.

Dear Mr. Margerison,

The Committee of the Shepherd Street Mission and Childrens' Home desire me to convey to you their hearty thanks, for your willingness to become the chairman of this Committee in the place of your dear father, the late Alderman W. M. Margerison and to say that at their last meeting it was unanimously carried that you be appointed. As I think you already know, the Committee meets once a month, usually at the end of the month. Our next meeting will be on the 29th of August, at 2-30 in the afternoon at the Childrens' Home which is at the end of Oxford Street, but I will send you an official notice before that date.

The late Alderman Margerison used to arrive at the Home at about 2 o'clock, so that he could go through the bills for payment with me and initial the same, and then in the meeting he would report on them, and they would be passed for payment.

I shall be pleased to call and see you if you desire to know anything, and shall no doubt when in difficulty be calling upon you to seek your help and advice. But you can be assured I shall remember that you have other calls beside this and will spare you all I possibly can, at the same time keeping absolute confidence with you, as I did with your dear father.

I now close, praying God will bless and make you a blessing in your future work for Him here,

Yours sincerely,

Arthur W. Collins
