Generous Giving
More Readers Remember Shepherd Street

KINDNESS and goodness are increased and spread by generous giving to deserving causes.

A great many readers, by their welcome gifts to our Shepherd-street Mission Home Fund, have shown that they know this golden truth.

Their thoughtfulness for others and their desire to help are expressed in a practical way that we greatly appreciate.

We sincerely thank all who have contributed so far. The total is advancing most encouragingly, but to make certain that the £1,000 target is reached we appeal to friends who have not yet sent donations to remember the extra needs of this Mission Home.
