Headcleaner have defied categorisation w/their twisted brand of power-driven tuneage. Already a success with the music weeklies, & w/great reviews from the likes of Select, Indiecator & Q to boot, it shouldn't be long before the eagerly awaited follow up to their debut "Au Fou" is receiving the same plaudits.

Tour period: **June 20th - 28th.**

Polvo return to these shores following up their support slot on the Babes In Toyland tour last year. Coming on like My Bloody Valentine in a head on collision w/Superchunk, they'll be playing London dates at the end of May (supporting Superchunk & Tsunami) before scooting off to Europe for more Superchunk tour dates & returning to the UK to play in their own right.

NOFX and THE OFFSPRING

The OFFSPRING "Ignition" LP (Epitaph / Revolver) USA

Release: "TBA" LP (Matador / APT) USA.

Tour period: **August 12th - 20th.**

New York's noise-king Jon Spencer makes his first trip to the UK w/ his new band & new LP. Having previously torn apart UK audiences w/Pussy Galore & Boss Hog, expect insanity of a very high calibre.

HOLY ROLLERS

Release: "Watching Grass" (Dischord / Southern) USA

Tour period: **September 1st - 9th.**

Making their second trip in as many years, Washington DC's Holy Rollers have already established a fanbase here w/their gutsy pop & roll overdrive. If you did um last time, no-doubt you'll want um back, if you missed out, now's the time to do something about it!
